

Business Support at your Doorstep in Berlin-Brandenburg

Since the beginning of the year 2008 the TSB Innovation Agency Berlin GmbH is a member of the Enterprise Europe Network.

The network is an initiative of the European Commission's Directorate General for Enterprise and Industry.

It is a key instrument of the Competitiveness and Innovation Framework Programme (CIP), which focuses on supporting small and medium enterprises (SMEs) in their growth and innovation activities.

The network activities are also available to all businesses, research centres and universities across Europe.

The Enterprise Europe Network is present in more than 40 countries, with around 4000 experienced staff in 600 local partner organisations providing expert advice and services to EU businesses.

The Brokerage Event "Connecting Railways" at InnoTrans 2010

Representatives from businesses, universities and research institutes offering or requesting innovative solutions, investigating new collaborations and searching for adequate project partners will get a great opportunity to discuss their ideas face-to-face.

The bilateral meetings with international experts of interest will be pre-arranged to the InnoTrans.

The event will give the opportunity for active participation in shaping the mobility of tomorrow.

Benefits for participants:

- The network offers a "one-stop shop" to **meet all the information** needs of all businesses in Europe.
- Offers the **possibility to exchange experiences** with businesses and partners from all over Europe.
- Information about international and regional **funding possibilities** for R&D projects.
- **Free entrance** to InnoTrans

Networking Event

How to participate?

Technology Profile

Each participant has to register by providing a technology profile describing his company and technological offers or needs, which will be published as precise data on the online catalogue.

This catalogue is continuously updated according to the submitted profiles and represents the basis for selecting partners for discussion and for organising face-to-face appointments during the event.

Access for online registration

For online registration and further information please visit:

www.fav.de/innotrans

Deadlines

Registration:	15th September 2010
